"Together 相聚2012"

Let's all come together to celebrate Chinese New Year 2012, the Year of the Dragon!

This is the 12th year we have organised the Chinese New Year celebrations in Brighton & Hove. The event is the highlight of our services to the community. With the support from Heritage Lottery Fund this year, people are also going to learn more about the history of Chinese New Year and the popular folk dances.

Supported by Confucius Institute for Business London (LSE) and CEDP Chinese Centre are staging the biggest Chinese Book Show and online Chinese learning programmes in Sussex. You can also have hands on Chinese experience of calligraphy, painting, dragon/lantern making and other activities for children. For those keen to learn Chinese, there will be a free Chinese taster lesson from 12.15 -12.45pm. Chinese festival food and many other accessories and information stalls will also be available.

12:00 - Door open 嘉宾入场
